Health & Safety Policy

General Statement

Defaf Al Khaleej Security Services (DAK) recognize and accepts its health and safety duties for providing a safe and healthy working environment for all our staff.

As a Company, we have a duty to ensure the Health and Safety of our staff and any other person who may be affected by our activities. The Health and Safety of our staff is of paramount importance. We aim to provide and maintain safe and healthy working conditions, equipment and systems for all our employees and to provide them with the necessary information, instruction and training to achieve this.

DAK is committed to the following principles:

-  Achieving a Goal Zero
-  HSE is a crucial component of how we conduct business every day.
-  Complete adherence to all laws, rules, and health and safety guidelines.
-  The detection and control of health and safety concerns to lower accident and incident rates.
-  Ensuring that there are enough resources to assist risk management.
-  Adhering to all applicable laws and rules surrounding health and safety.
-  Establishing proactive employee consultation and communication around health and safety issues.
-  Ensuring that all managers and workers are equipped to carry out their specific health and safety obligations by providing training.
-  Creation and enhancement of a health and safety culture across the organization.
-  Establish a culture where all staff are expected to work in a safe environment and are accountable for their own health and safety as well as that of their coworkers.

Our policies are reviewed on a regular basis by the HSE Manager and Senior Company Directors, and we are committed to constant improvement of safety standards and culture across the company.
